

Creating a Credit Note

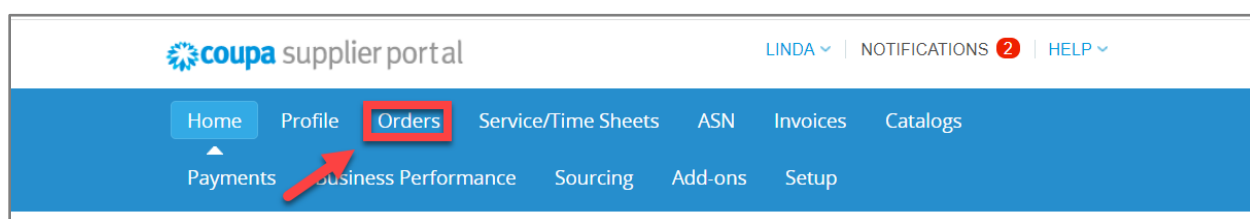

About this Guide

This guide will describe 2 ways to create a credit note. The first example is creating a credit note from a **Purchase Order (PO)** the second example is creating a credit note from an **Invoice**.

Creating a Credit Note from a PO

Step 1:

Login to the **Coupa Supplier Portal**. Click on the **Orders** tab to view Purchase Orders and find the PO you need to apply a Credit Note. Click on the stack of red coins () in the **Actions** column OR click the PO #.

11342227	11/22/22	Issued	None	10 Each of Dog Shoes	No	100.00 USD		 		

Creating a Credit Note

Step 2:

Coupa will direct you to the **Create Credit Note** where you can create the Credit Note similarly to creating an Invoice.

Fields with a red asterisk (*) must be populated. You will notice that many of the fields have been pre-populated and are not editable as this information is carried over from the initial invoice.

Note: If you have a credit note pdf, please attach it in the **Attachments** section of the credit note.

Creating a Credit Note

Step 3:

Under the **Lines** section, please add the **Adjustment Type** (Quantity, Price, Other).

Click on **Calculate** to confirm designated credit note (*your total **must be negative***) then click on **Submit**.

The screenshot displays the 'Lines' section of a credit note creation interface. A red box highlights the 'Lines' tab, and another red box highlights the 'Adjustment Type' dropdown menu, which is currently set to 'Price'. A red arrow points to the 'Price' option in the dropdown. The 'Type' dropdown is set to 'Price', and the 'Qty' field is '4.0000'. The 'UOM' is 'Bag' and the 'Price' is '-100.00'. The total for the line is '-400.00'. Below the line details, there are fields for 'PO Line' (11342347-1), 'Service/Time Sheet Line' (None), 'Contract' (None), and 'Supplier Part Number'. There are also fields for 'Unit Number' (None) and 'A/R Number' (None). The 'Billing' section shows a long alphanumeric string: 'K00033-K00033-K00033-8100-8000-900-AD000502'. At the bottom of the 'Lines' section, there are three buttons: '+ Add Line', '+ Pick lines from PO', and '+ Pick lines from Contract'. The 'Totals & Taxes' section shows a summary of the credit note. The 'Lines Net Total' is '-400.00'. The 'Shipping' and 'Misc' fields are empty. The 'Tax' section shows a tax rate of '0.000 %' and a tax amount of '-0.00'. The 'Total Tax' is '0.00'. The 'Net Total' is '-400.00'. The 'Total' is '-400.00' with the text 'must be negative' in red. At the bottom of the interface, there are five buttons: 'Delete', 'Cancel', 'Save as Draft', 'Calculate', and 'Submit'. The 'Calculate' and 'Submit' buttons are highlighted with red boxes.

Creating a Credit Note

Creating a Credit Note from an Invoice

Step 1 *(from invoice)*:

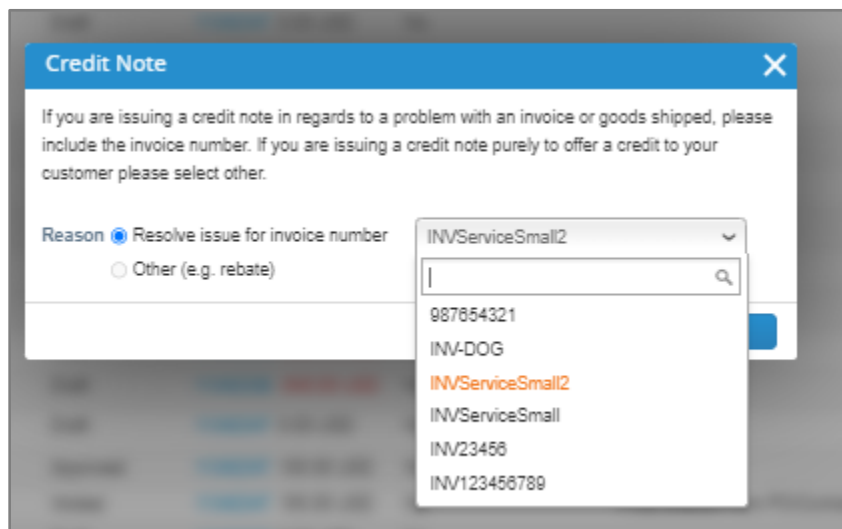

At the Coupa Home page click on the Invoices tab.

Click on “Create Credit Note”.

Step 2 *(from invoice)*:

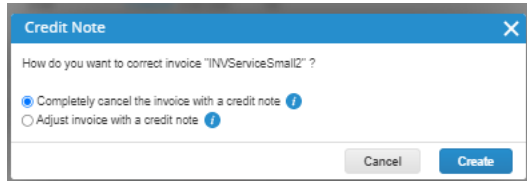

In the next screen, choose the invoice # from the drop down for which you are issuing the credit and click continue.

Creating a Credit Note

Click on the appropriate task of Credit Note:

- Completely cancel the invoice with a credit note or
- Adjust invoice with a credit note.

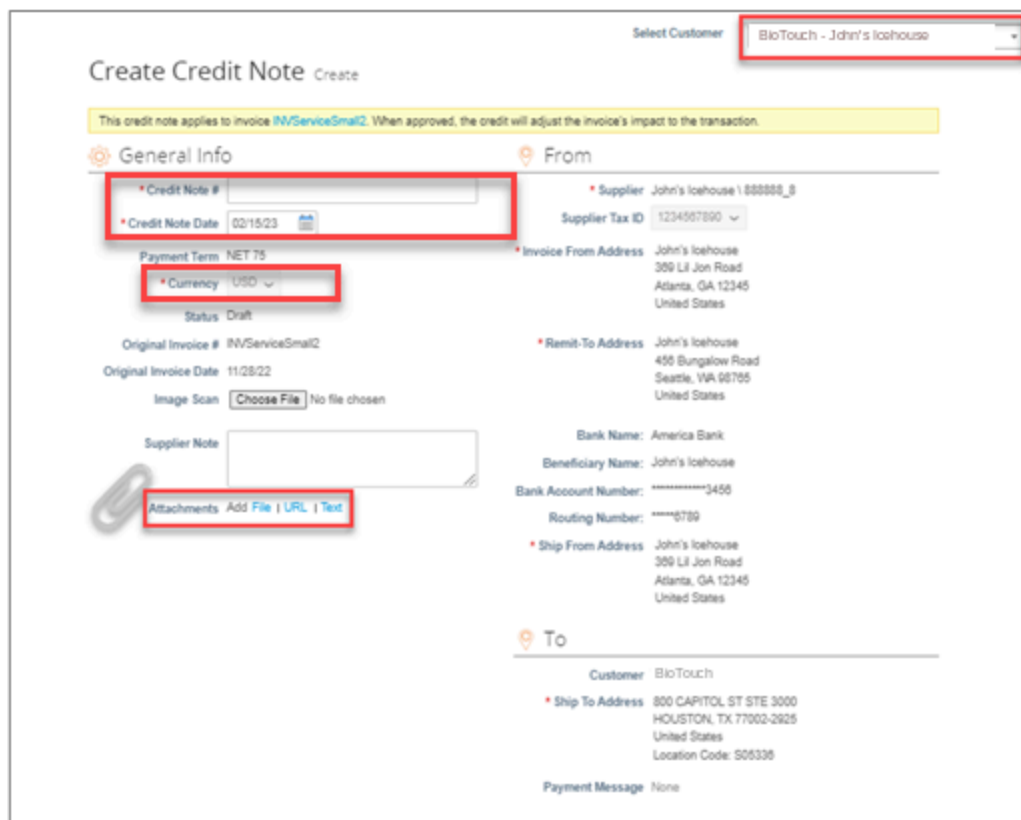

A small dialog box titled "Credit Note" with a close button (X) in the top right corner. It contains the text "How do you want to correct invoice 'INVServiceSmall2' ?". Below this text are two radio button options: "Completely cancel the invoice with a credit note" (which is selected) and "Adjust invoice with a credit note". At the bottom of the dialog are two buttons: "Cancel" and "Create".

Step 3 *(from invoice)*:

The form to create credit note appears.

- Enter the fields showing an asterisk (*).
- **Select Customer** - BioTouch
